## EDUCATION

### Chennai Institute of Technology

B.Tech in Information Technology; CGPA: 8.415/10

Chennai, India

2023 – Present

## EXPERIENCE

### Software Development Intern

August 2024 – March 2025

Gogosoon Pvt. Ltd.

- Collaborated with **cross-functional teams** to build production data collectors for US/Indian markets, ensuring **data integrity**.
- Owned **end-to-end development** of backtesting infrastructure, analyzing research papers to design trading strategies.
- Led migration of **3.4M legacy records** to production with **zero downtime**, implementing rollback and monitoring.
- Contributed to **technical design reviews** and provided **meaningful code feedback**, maintaining quality standards.

## PROJECTS

### Exam Proctor Platform

July 2025 – September 2025

- Built video recording system handling **100+ concurrent streams**, cutting storage costs **60-75% via H.264** optimization.
- Migrated streaming architecture from sockets to **WebRTC**, **reducing latency 40%**, collaborating with frontend team.
- Optimized face verification pipeline to reduce **server load 35%** while maintaining **95% detection accuracy** optimized model.
- Implemented **SEB configurations** enforcing secure exams with access control and monitoring, achieving **100% integrity**.

### iHirn Cognitive Platform - Gogosoon

November 2024 – March 2025

- Contributed to cognitive platform serving **1000+ users**, implementing features and maintaining **production stability**.
- Enhanced **cross-platform responsiveness** across desktop, iOS, Android by debugging platform-specific issues and testing.
- Iterated on game interface based on user feedback, implementing **adjustable difficulty levels** through rapid prototyping.

### Quantitative Trading System - Gogosoon

August 2024 – November 2024

- Took **end-to-end ownership** of high-frequency data pipeline processing **190K+ daily records** with monitoring for reliability.
- Improved system performance by **76% latency reduction** through async I/O, ensuring **scalability** and sub-second responses.
- Architected fully asynchronous backtesting engine achieving **8x performance boost**, enabling rapid algorithm iteration.
- Built data visualization dashboards for market analysis and developed testing framework to evaluate trading model performance.

## TECHNICAL SKILLS

- **Programming Languages:** JavaScript, TypeScript, Python, Go, C/C++, SQL, Java, Bash, HTML, CSS, Lua
- **Technologies & Tools:** Git, Docker, Linux, AWS, REST API, MySQL, PostgreSQL, MongoDB, Jira, WebSocket, PGVector
- **Frameworks & Libraries:** node.js, react.js, next.js, express.js, Pandas, WebRTC, Matplotlib, Seaborn, LangChain, Three.js.
- **Development Practices:** Code Review, Multi-Threading, Async Programming, API Design, System Monitoring, CI/CD.
- **CS Fundamentals:** Data Structures, Algorithms, Computer Networks, Operating Systems, DBMS, OOPs

## COMPETITIVE PROGRAMMING

- **LeetCode (RaghulSub):** Achieved rating of **1914, Top 4.71%**, solved **1115 problems**, and secured highest **rank 553** in contests
- **CodeChef (raghulsub)** – Attained max rating of **1654 (3-star)** and secured peak **global rank 120** in Weekly challenges
- **CodeForces (RaghulSub)** – Reached max rating of **1397 (Pupil)** and achieved top **global rank 2966** in competitive rounds

## ACHIEVEMENTS

- **ICPC Prelims** - Solved **3 problems and secured global rank 1344** in the ICPC Asia-Pacific preliminary round
- **Runner-up (HackIT)** - Designed AI based cloud log analyzer to perform security audits and detect anomaly in logs effectively
- **Finalist (COD-a-thon)** - Competitive programming challenge, ranked among the top 20 participants

## VOLUNTEER EXPERIENCE

- **Event Coordinator, Department Technical Symposium** - Managed crowd control and guided 500+ students across venues.

## CERTIFICATIONS

- **AWS Cloud Practitioner (CLF-C02)**
- **Cybersecurity Essentials (CISCO)**
- **Introduction to Cybersecurity (CISCO)**
- **Networking Essentials (CISCO)**
- **Database Management System (NPTEL)**
- **Problem Solving Through C (NPTEL)**
